March 31, 2017

Dear Maryland PTA Delegate,

On behalf of the Maryland PTA Board of Directors, I cordially invite you to attend our 102nd Annual Maryland PTA Convention being held July 28-29, 2017, at the Sheraton Columbia Town Center located at 10207 Wincopin Circle, Columbia, Maryland. This year's theme: "Empowering A New Generation of Leaders." Our Emerging Minority Leaders Conference (EML) is on July 27th at 10am-2pm, at the same location.

We hope that you will be able to attend the 102nd Maryland PTA Convention to see the new changes we have in store for training opportunities. Join your fellow Maryland PTA members attending training sessions useful to creating new activities in your schools, networking opportunities, and sharing best practices. All PTA leaders attending the Maryland PTA Convention will learn something new to help you build and maintain a successful PTA, as you collaborate with parents, teachers and school administrators.

Maryland PTA has planned an exciting and rewarding experience for you. Join us as we celebrate Arts in Education and honor our Maryland PTA and National PTA Reflections Award recipients at our Reflections Award Dinner being held on Friday, July 28, 2017, at 6:30PM.

We will be holding elections for new leaders and the Board of Directors will be presenting several bylaws amendments during general session. Your voice is important as we look to build on over a century of strong history of advocacy on behalf of children and youth. Together, we are a powerful voice for all children, a relevant resource for parents and a strong advocate for public education.

We encourage you to send several delegates to the Maryland PTA 102nd Annual Convention. Please return a completed registration form for each individual attending the Convention. Additional registration forms can be downloaded from our website at www.mdpta.org. We look forward to seeing you as we take this opportunity to grow PTA and as we move into the next century. I can't wait to meet you at convention!

Warmest regards,
