**John Q. Jones, Treasurer**

(A copy of the treasurer’s report should be presented to each member at the General Membership meeting. A feasible way of doing this is to copy the treasurer’s report onto the reverse side of the printed agenda that is distributed to the members as they enter the meeting place. In most instances, the secretary can easily copy the minutes of the last General meeting, with the treasurer’s report below it, onto the reverse side of the printed General Membership meeting agenda. This gives each member a copy of the agenda, a copy of the minutes, and a copy of the treasurer’s report, on only one sheet of paper. Presentation of the treasurer’s report can be done electronically with copies upon request.)

I have reviewed ABC Elementary School PTAs financial information provided and arrived at the following conclusions:

A brief summary of the time frame July 1, 2009 through June 30, 2010.

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>

<tbody>
<tr>
<td>Balance as of July 1, 2009</td>
<td>$ 610.89</td>
</tr>
<tr>
<td>Receipts</td>
<td>$52,041.00</td>
</tr>
<tr>
<td>Disbursements</td>
<td>$48,023.42</td>
</tr>
<tr>
<td>Balance as of June 30, 2010</td>
<td>$ 4,628.47</td>
</tr>
</tbody>
</table>

The July 1, 2009 balance forward was taken from the previous audit done by me.

The summary includes check numbers 1353 through 1502 written during the fiscal year.

I used the bank statements, disbursement forms, treasurer’s reports, computer ledger, and receipts that were provided to determine the above figures.

It was recommended in the last 2 audits to use the check book as another form of checks and balances. The check book again was not provided to verify.

Check numbers 1354, 1392, 1414, 1437, 1452, 1472, and 1477 were listed as voided and do not appear on the bank statements. Check number 1374 is listed on ledger as being voided, however there are receipts and a disbursement form for this check in the amount of $50.00 to Sally Jones. Receipts only total $43.98. The check was not included in the above figures and has not cleared the bank if written.

Check numbers 1343, 1349, 1351, and 1352 from the previous audit have all cleared.

Deposits listed on computer ledger match bank statements. Only carbon copies of slips were provided, except for two, they were the actual bank receipts.

Check numbers 1356, 1402, 1498, 1499, 1500, 1501 and 1502, totaling $1,463.20 are still outstanding.

Check numbers 1410, 1441, 1445, 1447, 1448, 1449, 1456, 1458, 1492, 1493, 1495, 1497, 1501 had no disbursement request forms.

Check numbers 1356, 1384, 1389,1398,1402,1404, 1405 1419, 1420, 1422, 1442, 1446, and 1479 have disbursement forms but no receipts. All checks must have a receipt before payment is made.

Check number 1500 only one receipt, missing a receipt for the $4.00 parking fee.
Check number 1465, noticed payment to bus company. If the PTA was completely sponsoring this event, did you check with the insurance company to ensure that you were covered in case of emergency? This is a yellow item and requires that you have a copy of the bus company’s insurance certificate with you as an addition to their insurance. I highly recommend that you gift the money to the school and have them pay for buses.

Check number 1459, there is no disbursement form or receipt, check was written for $338.56, to Robin Single for hot dogs, food and supplies on 3/26/08, again no check should be written without a receipt.

Check number 1387 had a hand written receipt. This is not acceptable; there must be an original receipt for all checks written.

Check number 1362, on receipt was again hand written. This is not acceptable.

Check numbers 1457, 1430, and 1411 were written to pay for T-shirts, and fundraiser. I did not notice a check written to the state for sales and use tax. We are not exempt from sales and use taxes and they must be collected and remitted to the state.

Check numbers 1359, 1360, 1365, 1366, 1367, 1368, 1369, 1370, 1370, 1372,1374,1380, 1381,1382,1396, 1397,1399, 1400, 1406, 1407, 1409 all have receipts that are more than the amount of the check written. These checks are for teacher reimbursements and there is a minimum of $50.00.

Check number 1476 was written for $420.24 and was paid to reimburse for phone bills. I have a concern because bills are dated from January 2007 through May 2007. This is over 2 years old; there is no mention in the minutes provided that a motion was made to approve this expense. This is not common business practice. The PTA needs to put into place a maximum time limit on bills. I would recommend that all bills need to be presented before the end of the fiscal year.

Check number 1497 written for $216.20, again was for phone bills. These bills are dated March 2006 through May 2006. These are more than 3 years old. Again, nothing to show that this amount was approved.

Based on the receipts of the PTA, it is necessary for you to file a federal tax form 990EZ, which was due November 15, 2010. It is also necessary to register with the Secretary of State as a Charitable Organization; this form was due by December 31, 2010.

In my opinion the financial summary reported above represents the financial condition of the ABC Elementary School PTA.

MISSING FUNDS and/or EMBEZZLEMENT OF PTA FUNDS

As a member of the board of directors of an association (including a PTA local unit or council), it is the individual responsibility of each board member to make sure the association is operating in a fiscally, financially, and legally sound manner.

When an individual becomes a board member, either through election or appointment, that person becomes legally obligated to prudently, properly and responsibly conduct him/herself (as an individual), and to be sure the association conducts itself in a manner so that the best interests of the association and its members are protected and preserved.

If an individual, as a member of a board, fails to exercise reasonable caution and care, that person is left open, not only to criticism from his/her peers, but to potential personal liability for financial losses or damages resulting from failure to exercise reasonable care during the term as a board member.

This is known as a “FIDUCIARY RESPONSIBILITY”.

Theft is breaking the law and should be handled as a serious offense. Embezzlement is the same as ordinary theft. The charges are criminal and need to be filed with the police department. It is important to know that it is the responsibility of any PTA leader who suspects embezzlement or fraud to report it to the proper authorities, otherwise, they may also be held liable. If the police department finds evidence enough to file criminal charges, the police department or the governmental attorney’s office will pay the cost of the trial.

If a civil suit is filed by a local PTA, the attorney’s fees are paid by that local PTA. (In general, a suit is any civil action brought before a court of law. Criminal prosecutions are not spoken of as suits.)

DO NOT make any public or private statements, seek the advice of the school district, or take any action without the approval of the Board of Directors.

PTAs can do little about the motive and rationalization involved with fraud but can made fraud more unlikely by removing the opportunity.

PREVENTION

- Demand complete written treasurer’s reports showing expenditures since the last report and comparison with budgeted amounts.

- Bank statements should be sent to the school address. The president should review and sign the statement before delivering to the treasurer.

- Resolve each bank statement and have an officer without signature authority compare the resolved bank statement with the treasurer's report.

- Establish, in writing, the process and individuals authorized to handle PTA funds.
- Implement cash control policies.
- Deposit PTA funds in the PTA bank account immediately upon receipt.
- Use bank accounts requiring two signatures.
- NEVER sign a blank check.
- Disbursement request forms should be used with approval signatures and receipts in the amount of the check attached.
- Pay all bills by check - cash is never used.
- Establish a two signature - two receipt process for the exchange or transfer of funds within the PTA.
- Conduct an annual review of the books.

MISSING FUNDS

Occasionally, a PTA discovers (or suspects) that some funds are missing. When this occurs:

IMMEDIATELY CONDUCT A COMPLETE AND THOROUGH AUDIT.
- This is the most basic, yet most important step. Until the PTA can prove that funds are missing or have been mishandled - there is no proof that funds are missing, no proof of wrongdoing exists, and therefore, no allegations can be made.
- The auditor or financial review committee is a committee that "investigates and reports". During its investigation, it can interview people as well as examine the financial records and other related documents of the association.
- The audit committee must report its findings to the PTA board of directors/executive board. Its report to the board should be factual - stating what was found and also stating what remains unresolved.

THE BOARD OF DIRECTORS MUST ACT ON THE REPORT.
- If funds are missing, the board has the legal obligation to take every reasonable action to recover those funds. It must recognize that recovery of the funds may not be possible in some instances.
- The first concern has to be for the welfare of the child.
- The second concern is defamation of character. Do not publicize the alleged misappropriation. Limit this knowledge to the smallest group of people who have to know. Ask for a “face to face” meeting in a private space in a public place. Present the evidence and ask for the money to be returned.
- The board of directors/executive board must meet and agree on the action to take. Decisions must be based on sound business practices.
• All action taken by the board must be "on the record" - that is, recorded in the board's minutes.
• Notify the insurance and/or bonding agent.
• It may be necessary to consult legal counsel at this point. Some situations can be handled through Small Claims Court; some may require other legal action.

THE BOARD MUST REPORT THE INCIDENT AND THE ACTIONS IT TOOK TO THE MEMBERSHIP.
• The funds of the PTA belong to the membership, and as caretaker of those funds, the board is obligated to report to the members any wrongdoing involving those funds.
• You may advise the principal/school district, however this is PTA business and must be dealt with by the association.
• Public or private statements should not be made, regardless of the severity of the situation or its public knowledge.
• It is very likely that, at some point in this process, the Maryland PTA will be contacted for assistance. It is recommended that all contacts regarding missing funds be referred to the president.
• Laws vary from locale to locale. Even if a PTA does not wish to file charges, a law enforcement agency may wish to do so. On the other hand, the law enforcement agency may not be interested in pursuing legal actions and other options may be advised. There are many paths to collection of stolen funds and this is where legal advice* may be necessary.

*This information is not intended to provide legal advice but to give direction regarding the decision-making process and issues related to the mishandling of PTA funds. PTA leaders are encouraged to obtain the necessary legal advice pertinent to local laws.
