Yellow Light — Occasionally, PTAs wish to sponsor activities that may require additional insurance coverage, waivers of liability and certificates of insurance. PTAs must strictly adhere to PTA guidelines and/or other special arrangements. All conditions must be met before undertaking any activities listed on the YELLOW pages. The insurance broker must be consulted on certain items listed. Please refer to each item.

Green Light — Approved activities and events are listed on the GREEN pages of this guide. Please refer to the National PTA Annual Resources for PTAs for more information about appropriate PTA fund-raising activities.

Activities in the Yellow and Green Light requires the PTA to obtain a signed PTA Participant waiver from each student’s parent or guardian. The condition of Waivers and Insurance applies to both Yellow and Green Light Activities. Please see each section for addition conditions.

OVERVIEW OF INSURANCE

COMPREHENSIVE GENERAL LIABILITY

Maryland PTA provides Comprehensive General Liability coverage with a $1,000,000 limit that covers all allowable PTA activities.

The policy insures the PTA unit, its members and volunteers in case they are held legally liable for bodily injury or property damage to another person that results from a covered PTA event. The PTA insurance does not cover booster clubs or other organizations. The policy is not a medical policy. The policy covers the PTA legal liability for injuries to other parties. If someone is injured, but the injury is not the result of the PTA negligence, the individual should utilize his/her own medical insurance for coverage.

The policy is designed to cover allowable PTA events. It is critical that the RED, YELLOW, and GREEN pages be reviewed before planning any PTA activities. Certain activities and events are prohibited because they are excluded by the insurance policy and/or because they are dangerous and/or jeopardize the safety of our children and youth. If the PTA sponsors a RED page event and someone is injured because of the PTA negligence, the individual PTA officers could personally be held liable.

HIRED AND NON-OWNED AUTO LIABILITY

Coverage protects the PTA unit if they are sued because of the use of automobiles by volunteers while acting on behalf of PTA business. You are still required to have your own automobile liability insurance. There is no coverage for any physical damage to your vehicle.

DIRECTORS & OFFICERS LIABILITY

Maryland PTA offers $1,000,000 Directors & Officers Liability insurance. This covers the PTA unit, the directors, officers, members, and volunteers. You can be sued when acting in the above capacity because of failure to act within established guidelines.

BONDING INSURANCE

Maryland PTA provides bonding insurance. Coverage provides $25,000 Employee or Volunteer Theft, $25,000 Forgery, and $25,000 theft of money by an outsider. The policy includes a $500 Deductible. For higher limits, please contact the PTA Broker.

WAIVERS

Waivers are needed from all participants anytime there is engagement in an activity or event.
PROCEDURES FOR REPORTING INCIDENTS AT PTA EVENTS

The Incident Report Form must be completed by the PTA President. It is a confidential communication between the PTA and the Maryland PTA broker, informing the Maryland PTA broker of the potential problem. It is not a claim; it is merely notification of an incident. The Incident Report Form is not to be completed by the injured party, but by the PTA President. In addition, the PTA President may ask the injured party questions that will help complete the report.

It is important you have full/complete information; however, you must not give the impression that because you have completed an Incident Report Form that the PTA is responsible and will “take care” of the injured party. The Maryland PTA broker will file the Incident Report Form with the insurance carrier who will investigate the incident and determine responsibility.

The Incident Report Form must be completed for every incident and accident that occurs. If a very serious incident/accident is being reported, you may also want to call the Maryland PTA broker at (800) 733-3036.

The PTA President should follow-up with anyone injured at a PTA event to express concern for the individual and inquire about any injuries sustained. As PTA President you must never promise to compensate a victim for his/her injuries or accept fault. Demonstrating concern for the individual may avert many claims.

The Incident Report Form (page 4) is part of the Insurance and Loss Prevention Guide. You can also download a copy here:

RED LIGHT – PROHIBITED ACTIVITIES

The Maryland PTA has adopted certain policies regarding permissible PTA activities in order to minimize the risk of exposure. It is the policy of the Maryland State PTA that certain activities be prohibited because they are dangerous and jeopardize the safety of our children and youth. Such activities also jeopardize the insurance coverage for all PTAs in the state. Other activities and events are excluded by the insurance underwriter.

**The following activities and events are prohibited. Individual PTA officers may be personally held liable for conducting any of the events listed below.** All PTAs should be aware that violation of established Maryland PTA policies, including the sponsoring of prohibited activities, can result in withdrawal of the PTA’s charter.**

*In accordance with the Maryland State PTA insurance program, PTAs may not engage in the sale of alcoholic beverages. (Red Light Item). Many PTAs hold silent auctions and dinners as fundraisers in which bottles and/or cases of wine are donated for use as auction items. These donated bottles and/or cases of wine may be used as auction items provided the auction is held at a non-school site location and the contents are not decanted during the event or on the premises. PTAs may auction donated beverages but not sell alcoholic beverages under any circumstance.

Serving of Alcohol at PTA Events -- The Maryland State PTA strongly urges its constituent organizations to refrain from serving alcoholic beverages at PTA functions. If alcoholic beverages are served at a PTA function, the PTA may not serve them. Any alcoholic beverages must be provided and served by a licensed establishment or catering company that has the appropriate permits and insurance. When a PTA is planning an event that will include alcoholic beverages, the PTA may not collect for the cost of the alcoholic beverages through ticket sales. This cost must be paid separately to the licensed establishment or catering company with the valid permits and insurance.

Under no circumstances may PTA funds be used to purchase alcoholic beverages or bottles of alcohol. Remember, the purpose of PTA is to work on behalf of all children and speak for "Every child. One voice."

Maryland PTA 2019 – Insurance and Loss Prevention Guide
Occasionally, PTAs want to sponsor activities which may require additional insurance coverage, waivers of liability, certificates of insurance or other special arrangements. PTAs must strictly adhere to PTA guidelines. All conditions must be met and/or the Maryland PTA Insurance Broker consulted before undertaking any activities listed on the YELLOW pages.

☑ Under no circumstances should any PTA unit, council or district sign a Hold Harmless Agreement for a vendor/concessionaire/service provider, or agree in any way that the PTA will be held responsible for liability. Review all contractual arrangements very carefully to make sure that they do not contain such provisions. If a contract includes a Hold Harmless Agreement contact the Maryland PTA Insurance Broker prior to signing.

The numbers [e.g., (1)] following each activity refer to the CONDITION(S) that must be met prior to a PTA voting to sponsor an activity or event.

CONDITIONS

(1) Obtain a Certificate of Insurance and an endorsement naming the PTA as Additional Insured on the policy. The vendor/concessionaire/service provider must also sign the Hold Harmless Agreement (page 9). The Hold Harmless Agreement part (b) spells out the insurance requirements for the vendor/concessionaire/service provider. Advise your vendor to provide a copy of the agreement to their insurance broker.

(2) Call the Maryland PTA broker with details of the event at (800) 733-3036

(3) If a PTA unit or council chooses to sponsor allowable activities or events that the insurance company has excluded (Athletic Events) the unit or council must purchase the necessary additional participant liability insurance for that activity, and the entire organization (the Maryland PTA, its units and councils) must be named as Additional Insured. Please contact the Maryland PTA broker, KNIGHT Insurance Services, for requirements for additional insurance and to confirm if your event would be covered or excluded. The Maryland PTA broker understands the necessity of protecting the entire organization and will make sure that such additional coverage will match the existing PTA liability insurance and that Maryland PTA will be protected.

(4) The only exception for which additional insurance need not be purchased is a Running Event (K-runs), Jog- or Walk-A-Thon. Parents and teachers (and now the general public) may participate but must sign a Participant’s Waiver (page 15) for themselves. Keep in mind that the PTA does not have accident coverage for Jog- or Walk-A-Thon events. These are your requirements: a) prearranged course, separate from traffic b) proper supervision-security or police in place c) water stations d) signed waivers.

(5) Babysitting is only allowed at PTA meetings where parents are continually on campus AND the following conditions are met: the babysitters do not change diapers, there are at least two unrelated adults (18 years or older-may be under 18 if a Certified Babysitter) in attendance at all times, and coffee or other hot fluids are kept outside of the babysitting room or area. If over 11 children are in attendance, then one additional person, who may be under 18, is recommended to be onsite.

(6) Certified lifeguard required for all swim events.

(7) Bingo and Raffles: Refer to the Constitution of Maryland State. Licensing is required and you must follow the state rules.

(8) Please consult local government for ordinances.

(9) If you have Childcare or Day Care you are required to be licensed by the State of Maryland. You will also need to obtain a separate policy of insurance. Please call the Maryland PTA insurance broker.

(10) Adequate supervision must be provided. Reflected vests and rubber gloves must be used. Clean-up must not be done on freeways.
CONDITIONS (continued)

(11) If you are required to sign an Indemnity contract by the vendor/concessionaire/service provider you must Review all contractual arrangements very carefully to make sure that they do not contain such provisions. If a contract includes a Hold Harmless Agreement contact the Maryland PTA Insurance Broker prior to signing.

(12) If you sponsor a helmet fair do not accept payments for the helmets but instead have the purchases be made directly to the vendor.

(13) When you purchase playground equipment it is best to gift the money to the School and allow them to purchase and install the equipment. PTA’s must not install the equipment.

(14) The Maryland PTA does not have excess coverage over the bus companies’ insurance. We recommend that you gift the money to the school and allow them to arrange and pay for the bus when making field trips.

(15) Children are being exposed to dangerous E. coli bacteria at petting zoos and fairs. Children pet the animals then put their hands in their mouths or touch food they are going to eat. Have your children wash their hands immediately and/or use antibacterial hand gel.

(16) You are required to have two unrelated adults in all classrooms. One can be the teacher and the other a parent volunteer. Refer to the Red-Light page for restricted activities, call the broker with questions.

(17) No homemade dunk tanks, bounce houses or slides. You must rent from a vendor who has appropriate insurance. Dunk tanks must be fully enclosed, so water is not splashing on the ground. An example of this is the Royal Flush Dunk Tank. (See the Bounce House Guidelines, available at the www.ani-rrg.org secure website or contact the Director of Loss Control at 831-621-6076 or via email: www.losscontrol@insurancefornonprofits.org)

(18) No team sports with a roster.

(19) Climbing walls need a harness.

(20) When holding a car wash fund raiser, only the owner of the vehicle is allowed to move the vehicle. Additionally, no one should wear a belt or any objects that might scratch the vehicle.

(21) A Participants Waiver, page 12 and/or Parents Waiver, page 13 are need for the activity.

(22) Parking Lots and Swap meets are NOT covered by the PTA’s liability insurance. ADULT PARTICIPANT / VOLUNTEER WAIVER, RELEASE, AND INDEMNITY AGREEMENT

Between

(hereinafter “the PTA Unit”)  

and  

(hereinafter “the participant/volunteer”)

PARTICIPANT WAIVER
I voluntarily agree to participate in PTA Unit sponsored events and activities held during the school year.

I recognize that the PTA Unit has not undertaken any duty or responsibility for my safety, and I agree to assume the full responsibility for all risk of bodily injury, death, disability, and property damage as a result of participating in the PTA Unit sponsored events and activities. I recognize that these risks will vary based on the event and activity, and understand it is my responsibility to be aware of the risks before participating. I attest and verify that I am mentally and physically fit and able to participate in PTA Unit sponsored events and activities. By my signature below, I hereby state that I understand there are risks involved in participating in PTA Unit sponsored events and activities and willingly and voluntarily accept these risks. By my signature, I hereby surrender any right to seek reimbursement from the Maryland State PTA, including all units and councils, and all of their officers, directors, members and volunteers for injury sustained and liability incurred during my participation in PTA Unit sponsored events and activities.

VOLUNTEER WAIVER
This section sets forth the responsibilities and understandings of the volunteer and of the PTA Unit regarding volunteer’s participation in volunteer programs partially or wholly coordinated by the PTA Unit during the school year.

The volunteer and the PTA Unit agree as follows:

1. The volunteer performs the service of the volunteer’s own free will, without promise, expectation, or receipt of remuneration. The volunteer is not an employee or agent of the PTA Unit for any purpose and the volunteer’s services are not controlled nor mandated by the PTA Unit.

2. The volunteer understands and agrees that it is possible that the volunteer may be injured or otherwise harmed during volunteer service due to accidents, acts of nature, the volunteer’s negligent or intentional acts, or the negligent or intentional acts of others; that while the PTA Unit has taken some steps to reduce the chances of injuries or harm to the volunteer, that the PTA Unit has no control over most risks, and, thus, cannot and does not guarantee nor take any responsibility for the safety of the volunteer or the volunteer’s property while the volunteer is engaged in volunteer service; and that the volunteer must take full responsibility for himself or herself and assume the risk of harm or damage while serving by taking all necessary and reasonable precautions and acting in a manner that will help protect himself or herself and his or her property.

3. The volunteer agrees to waive and release the Maryland State PTA, including all units and councils, and all of their officers, directors, members, and volunteers from any and all potential claims for injury, illness, damage, or death which the volunteer may have against the PTA Unit that might arise out of the volunteer’s service and to hold the PTA Unit harmless there from.

4. The volunteer agrees and understands that injuries or losses to others, such as co-workers or the person(s) being helped, may occur as a result of the volunteer’s negligent or intentional acts during volunteer service, and that to avoid such harm, the volunteer must exercise care and act responsibly in serving others.

5. If any injury or loss to another does occur due to the volunteer’s intentional actions or due to volunteer’s negligent actions arising outside of the scope of the volunteer’s activities, the volunteer must accept the liability for and repair, or make reparations for, the harm done.

6. In projects where the volunteer will be transporting others in a non-PTA Unit owned vehicle, the volunteer will be required to provide proof of automobile insurance in order to participate.

7. Since volunteers are not the PTA Unit employees, the PTA Unit does not provide workers’ compensation coverage for injuries or illnesses to the volunteer arising out of volunteer activities.

I understand that the materials and tools provided by the PTA Unit are and remain the property of the PTA Unit, and I agree to return these tools and any remaining materials to the PTA Unit at the end of my volunteer service.

By signing below, I confirm that I have carefully read this document and fully understand its contents. I am aware that this is a release of liability and signed it of my own free will.

MARYLAND PTA 2019 – INSURANCE AND LOSS PREVENTION GUIDE

DIRECTORS AND OFFICERS LIABILITY INSURANCE

Maryland PTA provides $1,000,000 Directors and Officers Liability Insurance. This policy covers all units and councils participating in the program.

You, as a director, officer, member or volunteer of an organization, can be sued because of failure or alleged failure to act within established guidelines. Directors and Officers have a fiduciary duty to their organization and are sued by those who feel members have not lived up to the responsibilities or duties assumed as members of the organization.

Generally, these duties are:

**Duty of Loyalty:** Requires you to act in good faith. You must not allow your personal interest to prevail over the interests of the organization. Do not use the PTA as a personal forum.

**Duty of Care:** Requires you to be diligent and prudent in managing the organization’s affairs. You must be informed and regularly review all financial statements, regularly attend board meetings, and avoid conflicts of interest.

**Duty of Obedience:** Forbids acts outside the scope of corporate powers. The governing board of the organization must comply with state and federal law; conform to the organization’s charter, articles of incorporation and bylaws.

Examples of actual claims that have been filed against nonprofit organizations:

- Wrongful Termination
- Breach of Employment Contract
- Fund Misappropriation
- Discrimination
- Antitrust
- Civil Rights Violation
- Sexual Harassment
- Promotions and Compensation
- Invasion of Privacy
- Interference with Employment Contract
- Inefficient Administration
- Waste of Assets
- Failure to Deliver Services
- Fund-Raising Activities
- Lobbying Activities
- Entering into Contracts Where Conflict of Interest May Exist
- Libel and Slander

*(Reminder: As with the Comprehensive General Liability coverage, the PTA must do all it can to prevent losses. Good Risk Management helps to keep insurance costs low.)*
Maryland PTA’s insurance program includes bonding.

✓ You are covered for $25,000 Coverage A (Fidelity) with a $500 Deductible. Coverage A covers you if an employee, member or volunteer takes assets of the PTA.

✓ You have $25,000 Coverage B (Forgery) with a $500 deductible. Coverage is for a loss due to forgery or alteration of a check.

✓ You have $25,000 Coverage C (Theft/Robbery) with a $500 deductible. Provides coverage should someone other than an employee, member, or volunteer take assets (money or scrip) from the PTA.

Higher limits are available. Contact the PTA Insurance Broker.

The bond does not provide coverage for wire transfers. There is very limited coverage for credit card losses, and we discourage the use by units and councils.

**Losses must be reported within 60 days of when you discover a potential loss.** We recommend you report a loss when you are in the investigation stage, to prevent your claim being denied. You must have records of your transactions to collect on a loss.

**It is critical that all units follow the Maryland PTA Financial Guidelines.** Two signatures are required on all checks. When a fundraiser is held and large amounts of cash are collected, two people should count the funds; both sign and each retain a copy of the receipt verification form and deposit the money in the bank. Cash should not be left unattended in any car, taken home, or deposited in your personal account. When a large fundraiser is held, conduct a review on the fundraiser immediately upon completion of the event. A review will immediately reveal if funds are missing.

Maryland PTA By-Laws require that all PTAs submit a copy of the treasurer’s annual report, reviewed by the auditing committee to the Maryland State PTA or their designated representative.
